

### Bike Loan Permission Form

Peel Park Primary are passionate about encouraging cycling and active lifestyles and we are starting a bike library so that the children have an opportunity to bring one of our school bikes home for a couple of weeks to try it out and have a play. If you would like your child to participate in hiring out one of the bikes please fill in the form below.

All children are encouraged to take part in using the bike loan scheme, the bikes will have an asset number and will be signed out by the individual child on a two week rental period.

#### Loan of equipment

The equipment loaned will remain the property of Peel Park Primary School and is provided for the purposes of the recreation of **Peel Park Primary School pupils only!** This loan agreement exists between the school the parent and or carer who has signed this loan agreement.

The bicycle will be loaned to the family for a duration of two weeks.

- You have a responsibility to take reasonable care to ensure the security of the bike and must try and prevent deliberate or accidental damage or theft.
- Reasonable health and safety precautions should be taken when using the bike, wearing a helmet is essential and using a lock if you are to leave the bike anywhere unattended. The school is not responsible for any damage to person or property resulting from the bike loaned.
- The school is not responsible for any costs resulting from the use of the equipment, including theft or damage.

I have read or had explained and understand the terms and conditions in the Bike loan agreement. I understand that by breaching the conditions the loan of the bike may be withdrawn by the school.
