

Year 1 Spring 2 2024

We hope you had a restful half term break and are ready to start the new half term.

English

In English, our fiction and non-fiction text is 'Where The Wild Things Are'.

When a boat appears, Max sails to the land of the Wild Things, he finds huge, multi-coloured monsters with big claws and teeth.

We will be focusing on capital letters, finger spaces and full stops. We will be using the conjunction 'and' descriptive words and question marks. Children will write a sequence of sentences.

In Guided Reading, we will be reading the following books:

Science

Our topic this term is plants. Children will learn what a plant needs to grow, as well as naming and identifying parts of the plant.

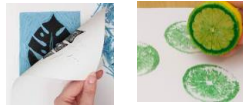

Maths

In Maths, we will be focusing on place value within 50. We will also be learning how to measure length, height, mass and volume. We will be using the concrete, pictorial and abstract method to develop our understanding.

Art

In Art this term, we are focusing on printing. We will be using vegetables and objects that have a pattern. We will also be using the relief printing method to create a final piece.

PE

Outdoors, we will be learning how to play Basketball and indoors we will be learning how to move our body confidently and safely through dance.

PSHCE

In PSHCE, children will identify who our special people are and who they can talk to, as well as identify jobs in the community and how they help us.

RE

In RE children will begin to learn what it means to belong to a Church or Mosque. We will be having lots of discussions during our lessons.

Geography

In Geography this half term we will be looking at our local area. We will be creating a map and compasses. We will be going for a walk in our local area.

Music

We will continue to follow the Jolly Music scheme. We will sing rhymes and songs, plus identify elements such as pulse, rhythm, pitch, loudness and speed.

Computing & Online Safety

In computing we are focusing on 'Data and Information'. Our focus for online safety is copyright and ownership.

At Home

- Continue to use the Oxford Owl to access a range of books (See class teacher for login details).
- Support your child with their homework and complete tasks each week.
- Prepare your child for the Phonic Screening Test. (More information will be given by the class teacher).
