

Year 4 Autumn 2

Science This half term we will be investigating sound. We will carry out experiments relating to volume and pitch. 	Geography The focus for Geography is other cities and counties in the UK. We will identify and compare different cities and counties in the UK as well as comparing their human and physical features. 	Maths In Maths, we will finish consolidating our knowledge of the times tables learnt in Year 3 before moving on to 6s, 7s and 9s times tables. We will also build on our multiplications and division skills and understand how to multiply up three digit numbers by one and two digit numbers.	English This half term, we are taking inspiration from the story Planet Unknown. We will be writing a fiction story about robots on an unknown planet. We will then write a non-fiction text as a script. We will continue to work on handwriting. 
Guided reading We will be working on our VIPERS skills of vocabulary, inference, predictions, explanation, retrieval and summarising. We will use texts that relate to our science and geography topics as well as poetry.	PE PE this half will develop their skills in gymnastics and football. PE kit will be needed on Mondays.	Computing This half term we will be working on Bandlab to record audio and create podcasts.	General - Please listen to your child read and sign their reading record. - Use spelling shed and TTRS.
DT In DT we are looking at biscuit recipes. We will be making our own biscuits and creating packaging for our biscuits. Throughout the lessons we will also have a look at budgeting and costs of creating our own biscuits.	Forest School Elm class - Wednesday Ask class - Tuesday Please make sure your child has appropriate clothing and a coat. Please bring wellies to school in a plastic bag.	PSHE This term in PSHE, the children will be exploring the book Mamma Mití. Through this story, they will learn about sun safety, being passionate and showing respect.
