Year 5 Mission Out Trip

Dear Parent(s)/Carer(s),

We are very excited to announce that we are organizing an end of year trip for Year 5 to an outdoor park known as Mission Out which is located in Leeds on **Wednesday 24th June**. We are fortunate to have secured a booking as it is an extremely popular venue with school groups.

Mission Out is an active day where children can experience fun challenges in the great outdoors. Mission Out provides a highly engaging and rewarding environment that allows children to step out of their comfort zone, build confidence and promote resilience. The active package will give us access to the ground level including The Tower Jump Pillow, Den Building, Adventure Golf and Lake rafting allowing the children to explore the park with their friends and teachers. The pupils will take part in team building activities led by the Mission Out squad. These are designed with an educational focus and the activities are constructed to challenge the group, leading them to work together as a team and help each other to complete their mission.

The cost of the visit will be **£29.99** and includes return travel by coach and the cost of the active package. Children will need to bring a packed lunch with them on the trip. School will be providing a lunch for children on free-school meals but you may send your child with a packed lunch from home if you wish. Please make sure children do not bring drinks in glass bottles or any fizzy drinks. Your child will need to wear their PE kit with a waterproof coat and suitable footwear for active learning.

We will be departing by coach at 9.00am so children need to be at school by 8.30am at the **latest**. We should return at approximately 3.15pm but this time will depend on traffic and road conditions on the day.

I am paying by cash as I am unable to pay with Parent Pay.
