

## Nursery Spring 2

This half term we will be looking at People who help us. We are hoping to have some visitors talk to the children so the children will gain more knowledge about these occupations.

If you feel you could

help us with this topic, please speak to a member of the Nursery staff.

In Nursery we use Tapestry to record online observations of your children. We also use this in the event of closures.

Please ensure you have activated your account. Check your spam/junk folder in your email account to follow the email link to set up your account.

### Dates for your diary:

28th February– School reopens

W/C 4th April– Parent drop in sessions

8th April– Close for Easter

19th April– Offer day for Reception places

25th April– School reopens

In Maths we are consolidating numbers 1 to 10 for all children, with some children looking at missing numbers in the sequence. We will continue to use Numberblocks, so encourage your child to tell you about the Numberblocks which they know.

We are focussing on name writing for all children this half term, looking at the sound which is at the start of their name.

We have introduced some sounds to children using Read, Write Inc and Jolly Phonics combined to give the children a firmer understanding of the sounds.

### How you can help your child

We are encouraging independence so work with your child to:

- Putting their coat on and zipping it up
- Recognise the initial sound of their name
- Begin to write their name independently
