

## Reception 'What will we find on the bear hunt?' Spring 2

*We're Going on a Bear Hunt*

Michael Rosen Helen Oxenbury

This half term we will be reading 'We're Going On A Bear Hunt'. We will be going on a bear hunt in the forest, retelling the story and changing some characters from the story. We will be focusing on writing words and short captions and children will be encouraged to use 'Fred Fingers' to sound out the words they want to write. We will introduce capital letters, finger spaces and full stops. We will also have a focus

on oracy, where we will be encouraging children to speak in full sentences and use voice projection.

Children take home a reading book, please take the time to read with your child everyday at home. Books are changed weekly, so please make sure that your child brings their book bag and book everyday.

Children practice writing their names everyday at school, please practice this at home.

In maths this half term we will continue focusing on numbers to 10. We will be adding, subtracting and subitising. Children will use a range of resources to do

this and their homework will be linked to it. Please upload homework onto tapestry every week.

Each class will go to the forest every week this half term. Please send your child's wellies into school.

Willow– Tuesday  
Pine– Wednesday  
Beech– Thursday
