Dear Parent(s)/Carer(s),

As from 5th January 23 School will no longer be accepting payment for your child/rens milk. To enable your child/ren to access milk when in school, you will need to register them with Cool Milk, and we have attached a leaflet explaining how to register.

**Milk is available to all pupils in school
as part of the School Food Plan**

Currently children under the age of 5, have been receiving free milk at school, funded by the UK Government's Nursery Milk Scheme.

When your child turns 5, milk continues to be available at a subsidised cost of around £18 per term, via our school milk supplier, Cool Milk.

Drinking a portion of milk at mid-morning break offers protein, calcium and other vital nutrients, important for children's growth and development. It can also be a sensible way to bridge the gap between breakfast and lunch.

What You need To Do:

If your child is currently under 5

- ✓ Your child is currently receiving free milk at school as part of the UK Government's Nursery Milk Scheme.

If your child is aged 5 or over

- ✓ Visit www.coolmilk.com Select the 'Register your child for milk here' option on the main home page

After registration, you may then make a pre-payment via your online account for the remaining half term, term or academic year. You can also simply choose your own specified amount, should you wish to do so.

If your child is currently over the age of 5 and entitled to statutory free school meals, there is no need to register.

All information handled by Cool Milk is processed in accordance with current Data Protection Legislation. The data will be stored securely on Cool Milk's UK-based servers and will not be passed to third parties other than to UK Government departments for audit purposes.

Should you have any queries regarding your child's registration or milk supply in general, please do not hesitate to contact Cool Milk directly on **0800 321 3248** or via email to customerservices@coolmilk.com.
