

Reception Summer 2

This half term we will be reading 'Handa's Surprise'. As an introduction to this story, we will be having a visit from 'Zoo Lab', where children will be able to meet some African animals and find

out lots of interesting facts about them! We will be focusing on writing words and short captions and children will be encouraged to use 'Fred Fingers' to sound out the words they want to write. We will introduce capital letters, finger spaces and full stops.

Children take home a reading book, please take the time to read with your child everyday at home. Books are changed weekly, so please make sure that your child brings their book bag

In maths this half term we will be focusing on numbers to 20. Children will learn to double and halve and will also continue working on adding and subtracting.

They will use a range of objects to help them and will be encouraged to write number sentences.

This half term, we will be going to the forest school every week. Please send your child to school with their wellies.

Pine– Wednesday **Beech**– Thursday

As the weather gets warmer, it is important that children stay hydrated. Please send your child to school with a water bottle everyday.
