

Nursery Summer 2

This half term we will be focussing on stories about space. We will be learning about aliens, the planets, the moon and everything else to do with space.

We will be focussing on 3 main stories, 'Whatever next!', 'Aliens love underpants' and 'The Smeds and the Smoos'.

Please ensure you are checking Tapestry to follow your child's progress and also to check Class Dojo as we use this to keep parents informed about things which are happening in Nursery.

Dates for your diary:

6th June– School reopens

28th June– Aliens love Underpants theme day (children to wear their underpants over their clothes)

29th and 30th June- School closed for Eid

6th July– Hesketh Farm trip (for those children who are going)

10th July– Nursery Sports day

25th July– Nursery Graduation

25th July– School closes for summer

In Maths, we are going to be looking at basic shapes, exploring the different properties of 2D shapes.

We will continue to work on numbers 1-5, looking at more and less and bigger and smaller.

Most children are moving on with their writing and starting to be able to write some of the letters in their names independently. We will continue to work on this and support all children to be able to move them on with their writing skills.

Some children are ready to move on to the school phonics scheme and will be introduced this half term to some of the initial sounds in Read, Write, Inc. We will only do this with the children who we feel are confident enough.

How you can help your child

We are encouraging independence so work with your child to:

- Putting their coat on and zipping it up
- Putting their shoes on independently
- Writing their name independently
