In maths, we will be working on numbers to 5. Children will work on recognising numbers, ordering numbers and counting out objects.

In phonics, we will be listening to sounds in the environment, children will go on a number of learning walks to hear different sounds. They will also play a number of different games where they can explore and identify different sounds.

This half term, we will be looking at the story 'Dear Zoo'. We will be learning to retell the story and we will create actions for the different animals.
