

Year 3 'Is the world angry? Spring 2 2022

Welcome!

We hope you had a fantastic break and are ready for the exciting learning that will be happening this term.

Maths

Lengths and perimeter will be learnt, revisiting addition and subtraction to complete this learning. Fractions will also be visited in preparation for the following half-term with this being a key focus. This will cover multiplication and division facts.

Prior mathematical knowledge will also be consolidated throughout.

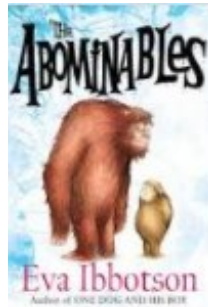

English

Children will be writing a fiction story based on a natural disaster. They will use the picture book 'Flood' to help with ideas.

The focus will be on using speech, sentence types, prepositions of place and interesting vocabulary.

Class Novel:

Science

Our topic this term is Forces. Children will learn what a force is and the different types there are. They look how to measure force and will carry science investigations and explore of the practical uses of forces.

Geography

Mountains, Volcanoes and Earthquakes!

Children will explore these three areas of how they are made and occur. They will also learn about existing mountains and volcanoes, with the impacts earthquakes have on whole countries.

Computing

Children will learn how technology can help them access a wide range of information. They will use key words and questions to search for specific information. Children will decide which information is useful and relevant to their topic. They will learn how to copy, paste and edit information. Children will also look at keyboard shortcuts. Finally they will use all these skills to create an E book about Volcanoes.

Homework

Children will be given weekly spellings and tasks on Sumdog. Please ensure they have time at home to do this. Children should also read their home reader book daily. They need to only read a few pages each day.

If you have any questions or concerns please feel free to email your child's class teacher.
