Year 6 Heritage Homework

Dear Parent(s)/Carer(s),

In class, we have been learning about statues and heritage, with a focus on the statue of Sir Robert Peel in Peel Park. For year 6's homework, we would like pupils to prepare some research linked to this:

1) Photo of the Sir Robert Peel Statue

Accompanied by your parent/carer, locate the statue of Sir Robert Peel in Peel Park. Can you take a photograph of it/with it and email it to your teacher (or send it via a Dojo message)?

2) Make the case for an alternative statue in Peel Park

Prepare a presentation, arguing for a statue of an alternative significant individual who is connected to Bradford.

Pupils should research the individual carefully. In the presentation, provide:

- a brief biography of the person.
- an explanation of why you have chosen that person to have a statue (consider which characteristics they have, making them worthy of commemoration- be persuasive!).

Please ensure that pupils use the child-friendly search engine (www.kiddle.co) for any internet research.

The best presentation in each class will receive a prize It is up to pupils how they present their work (by Powerpoint, writing a persuasive argument, creating a poster etc.).

Here are some suggestions, in case children need inspiration for their individual:
