

Nursery Summer 1 'Growing'

This half term, our topic will be 'Growing'. We currently have tadpoles in our classroom, which we have had since they were Frogspawn. We are looking forward to watching them turn into frogs!

We will also be watching caterpillars turn into butterflies, as well as planting some seeds in our outdoor area.

We will be looking at the story 'The Very Hungry Caterpillar' this half term. Children will taste fruits from the story, have caterpillars in the classroom and learn to retell the story with actions. We will also look at a number of different stories that link to growing.

In maths we will be focusing on numbers to 5. We will be learning to recognize numbers to 5, as well as counting out up to 5 objects. We will also re-look at patterns and shapes, encouraging children to name 5 different 2D shapes.

We will continue speaking about the days of the week, the weather and the months of the year.

Independence

We encourage children to be independent at Nursery. It is important that children learn to go to the toilet independently. Nursery staff will be on hand to support children with toilet training, but it is important that children also use the toilet at home.

Home work

Please check Tapestry every week for our homework task. Homework can be uploaded to Tapestry and children can then show it to their friends.

Stay and Play

Our next stay and play session is on **Wednesday 21st May**. We cant wait to see you all there!
