

Nursery Summer 2 'Woodland'

This half term, our topic will be 'woodland'. Children will be reading core stories focusing on woodland settings and woodland creatures.

Independence

We encourage children to be independent at Nursery. It is important that children learn to go to the toilet independently. Nursery staff will be on hand to support children with toilet training, but it is important that children also use the toilet at home.

In Maths, we will be ordering numbers 0-5. Looking at more than and less than. We will be consolidating learning from last half term, focusing on composition of numbers, securing our understanding of numbers.

In Phonics, we will play a number of different games where we will sing action songs, create our own action songs. Use rhythm and rhyme to sing songs and invent our own.

In English we will learn how to talk about special events, such as birthdays and Eid. We will learn to follow two part instructions and questions.

Routine

Most children are now settled into Nursery and are getting used to the routine of coming to school everyday. Please continue allowing your children to independently take off their coats and bags.

Home time

Children will be let out 1 at a time at home time. Please be patient and wait for your child to be released.
