

Nursery Summer 1 'Growing'

This half term, our topic will be 'Growing'. Children will be reading core stories focusing on growing and looking after plants.

Independence

We encourage children to be independent at Nursery. It is important that children learn to go to the toilet independently. Nursery staff will be on hand to support children with toilet training, but it is important that children also use the toilet at home.

In Maths, we will be sequencing daily routines, nursery rhymes and simple stories. We will be using positional language and we will look at 2D and 3D shapes.

In Phonics, we will play a number of different games where we will explore and identify different sounds.

In English we will learn how to listen to and play with their friends. We will learn how to hold conversations with others.

Routine

Most children are now settled into Nursery and are getting used to the routine of coming to school everyday. Please continue allowing your children to independently take off their coats and bags.

Home time

Children will be let out 1 at a time at home time. Please be patient and wait for your child to be released.
