

School council meeting minutes 10/3/17

Present - All children and Mr Christy.

Matters Arising.

1. School lunches - A group was set up to monitor school lunches and to suggest some improvements to some aspects that the want to improve upon. Pupils preferred when salads were separated by vegetables so they could choose what they liked. Also pupils like the idea of possibly having music on the playground on some days. The group members are:

Ali Raja (Drangon) Leader of the group

Eia (Larch)

Sora (Cedar)

Amirah (Dragon)

Kelly (Sycamore)

Anjele (Ash)

Zara (Redwood)

Alesha (Elm)

If you have any ideas or comments about school dinners please feel free to speak to any of the members of the committee.

2. Bike Feedback - Amal and Tayyab provided feedback on the meeting that they had with Mr Mason-Edwards about the possibility of pupils bringing bikes to school. Mr Mason-Edwards was very positive about the possibility of pupils bringing their bikes but had one or two reservations about this. We are awaiting Mr Mason-Edwards receiving

an email from Bike-ability before we can take this any further.

3. PE last half term of this year - Mr Christy reminded pupils that they are able to decide as a year group what activities they would like to do for the last half term of this year (Summer 2). School councillors should supply ideas to Mr Christy by the end of Friday 17th March. The ideas will be looked at and voted on in year groups.
4. Child of the week certificates - Pupils are not overly impressed with the certificate at the moment and feel that it doesn't reflect the achievement of being Child of the Week. The possibility of having a competition to design a new certificate was mentioned. Sara and Husney (Year 4) are going to lead on this.
5. Bikes - It has been mentioned by a few pupils that they would like to come to school on their bikes. Mr Christy discussed the issues that he can see that would need to be sorted out before this could happen (safety and cost). Amal and Tayyab (Year 6) to meet Mr Mason-Edwards to see if this is possible.
6. Buddy Stop - Mrs Fairchild would like the councillors to pick the signs for the new buddy stops.
7. House points roll over - Mr Christy discussed the idea that when a house wins the house points they can hold on to that win and save it to get a larger prize after several wins. Ideas for what those prizes can be are wanted. Any ideas please see your school councillors.

8.Mr Christy to speak to Kelly (Year 6) about any progress made with chopping down the bushes at the bottom of the hill on the playground.

Date of the next meeting - Tuesday 14th June 2016
