

Year 1 - Autumn 1 2025

Welcome!

Welcome back to a new school year! We hope you had a fantastic summer break and are ready for the exciting term ahead! The teachers this year are Mrs Khan in 1 Maple and Mrs Bagri and Mrs Begum in 1 Hazel.

Maths

In Maths we will work on place value. The children will learn how to partition numbers into tens and ones. Children will also learn; to recall bonds to 10 and count in 2's, 5's and 10's.

Drawing Club

This half term the story we are reading is 'The Colour Monster'. Children will be using their phonics to Fred Talk and write words. Children will also have daily phonics sessions. These groups are following the Read, Write Inc programme which is designed to meet their specific reading and writing needs.

Science

Our unit this term is all about Animals including Humans. We will be identifying, naming and drawing the basic parts of the human/ animal body and say which part is associated with which sense. We will also be observing seasonal changes and describing weather.

History

This half term our focus is 'Who am I?' We will look at how we have changed from when we were babies and who is in our family. We will be learning about and creating a family tree and looking at how life was like for our grandparent's. Within this unit we will be looking at old and new toys and how the toys we play with are different to what our grandparents

RE

In RE our topic is 'What does it mean to belong to a community of belief?'. We will be learning about different religions and their beliefs. We will be looking at different places of worship and focusing on religious symbols associated to that belief/religion.

DT

Our DT topic is 'Textiles' and we will be learning the techniques of joining and planning and our end result will be to make a puppet.

PSHCE

Our focus for this half term is 'relationships'. We will be exploring a book called *The Friendship Bench*. The story looks at what it means to be a good friend, the importance of trust, and how to build positive relationships.

Computing

Our Computing topic is 'Computer systems'. We will look at technology all around us and consider what is technology and how we use it in our everyday life.

Homework

Homework will consist of children reading their phonics reading book, spellings on Spelling Shed, completing Maths games on TT Rock Stars.

Any questions?

Please feel free to contact your child's teacher via Dojo, or email.
