### Home from Home

Dear Parent(s)/Carer(s),

I am writing to you regarding our Home from Home childcare provision which is a service that you regularly use. There have been a number of occasions where we have had children left in school past the Home from Home finish time.

I would like to remind our parents/carers that the provision runs straight after school until 5.30pm. All children must be collected no later than 5.30pm as this is when the school building closes.

I understand that some of our parents/carers have jobs that require them to work over their normal working hours so struggle to collect their children on time, however we are unable to facilitate this in school. That being said, there are other childcare providers in the local area that can facilitate this: it would be advisable that these are looked into as an alternative option.

I would like to inform you that we will be closing the school building at 1.15pm on Friday 20<sup>th</sup> December (last day of term) so there will be no Home from Home provision on the last day. If you normally use the service, please make alternative arrangements on this day.

I would like to thank you for your understanding and I hope you have a lovely Christmas break with your families.

Yours sincerely,

*Mrs H Hutchinson*
