Year 5 Planetarium Experience

Dear Parent(s)/Carer(s),

In this half term, Year 5 will be embarking on a mission to learn and investigate space, the planets and our solar system with our new topic "Is there anyone out there?"

To help support and enhance your children's learning we have arranged for a travelling Planetarium to visit our school, giving us a tour around our solar system and the planets within it.

The event will take place on **Wednesday 18th September** in the Main hall at school.

To help us finance this amazing show we would ask you for a contribution of **£3.00**. We hope you agree that this is a great opportunity for your child and look forward to your support.

Please sign and return the reply slip below and make your payment via Parent Pay by **Friday 13th September**. If this voluntary contribution is not made, the planetarium will sadly have to be cancelled.

Yours Sincerely,

Mr Power, Miss Begum, Mr Kimberley & Miss Kirkup
