

Reception 'Spring 1'

English—Out of This World!

This half term we will be reading lots of space and superhero story books including 'Supertato'. We will be learning to retell the stories we will also be focusing on writing short captions; the children will be encouraged to use 'Fred Fingers' (Read Write Inc) to sound out the words they want to write. We will also have a focus on oracy, where we will be encouraging children to speak in full sentences and to listen to their talk partner. Encouraging conversation and listening skills

Fred Talk

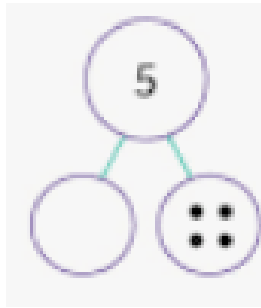

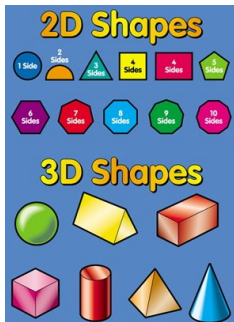

Forest School

The children will continue to attend forest school weekly on a Thursday/Friday on rotation. Please make sure your child has a good pair of boots or wellies at school to enable them to enjoy their time safely.

Maths

In maths this half term we will continue to develop subitising and counting skills whilst also exploring the composition of numbers within and beyond 5. We will use lots of counting songs to help us secure our knowledge. We will also look at 2D and 3D shapes.

A World of Wonder...

This half term we will be learning all about different animals and the habitats that they live in, including Arctic animals and the Ocean. We will also be looking at famous astronauts what science they do and learn about space and planets. We will look at fire and ice and design and make our own rockets to take us to space.
