

Nursery Spring 1

This half term we will be focussing on traditional tales, for example Goldilocks and the three bears.

We will be retelling these stories to help with our story telling skills.

Please encourage

your child to tell you about the focus story of the week.

In Nursery we use Tapestry to record online observations of your children. We also use this in the event of closures.

Please ensure you have activated your account. Check your spam/junk folder in your email account to follow the email link to set up your account.

Dates for your diary:

4th January– School reopens

15th January– Closing date for Reception place applications

18th February– School closes for half term

In Maths we will be moving on to numbers 6 to 10, but also continuing to reinforce numbers 1 to 5. We will look at shape towards the end of the half term by introducing simple shapes to the children such as square, triangle and circle.

Some children will be introduced to phonics this half term, using Read, Write Inc like the rest of school.

For a majority of the children we will be focussing on rhyming words and identifying which words rhyme in books. Help your child with this by making up silly rhymes.

How you can help your child

We are encouraging independence so work with your child to:

- Putting their coat on and zipping it up
- Using the toilet independently
- Washing their hands independently
- Recognising their name
