

Peel Park Primary School

The Path to Success

Report written by Mr B Cunliffe (PE Subject Leader)

Evidencing the impact of the primary PE and Sport premium 2023-24 (including 2024-25 plan)

Initial draft as of 17/7/24

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PE and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Academic Year	Amount (approx)
2023-24	£21,000
2024-25	£21,000

Peel Park Primary School

The Path to Success

The sports funding at Peel Park Primary School supports provision for the following-

- Additional PE and PA opportunities outside of the curriculum lessons which poverty proofs our school under the categories of 'Talent', 'Sports Lovers', 'Fitness' and additional SEN PE.
- Enhanced PE curriculum developed to fit the needs of our pupils and maximizing our facilities and matched to the wider sporting and PA opportunities in the local area and sporting competition.
- The opportunity to participate in the full BD3 League which is hosted at Carlton Bolling (We continue to play a key role in the success of this widely valued resource).
- We send two teams (at least) to almost every competition and have competitions targeted for competition as well as a wide range of opportunities for SEN children.
- Opportunities for talented children to receive additional coaching in these areas for curated sport specific list (We know who are gifted children are in each traditional sport).
- Children are prepared to participate in external competition and continue to be increasingly successful
- Opportunities for SEN children to receive additional coaching and opportunities to participate in competitions such as Boccia and New Age Kurling.
- Additional opportunities for children who need additional physical activity to be 'fit and healthy' (We have the children most in need of additional PA identified).
- KS2 children attend weekly swimming sessions at the local pool (This is changing to a portable onsite pool for the upcoming academic year).
- 'Healthy Schools Week' which is a 'wow' event that provides the children with a week of fun and engaging activities. (Detailed plan available on request)
- We provide a comprehensive PE and PA provision for all children, of all abilities and sporting/pa interests.
- Additional PA activity opportunities are provided for those most in need.
- A wide selection of high quality equipment to maximize the quality of learning.

Impact of the PE and Sports Grant in 2023-24

- A comprehensive in school Gifted and Talented program which has allowed us to both participate and be successful in school games competitions and the now established BD3 League.
- We now provide the above model in gender specific groups for Y5/6
- We had multiple teams qualify for the West Yorkshire Cross Country finals (Despite none of our pupils running for a club)
- Regular top place finishes in the BD3 League for both our boys' and girls' teams (Outcomes and interest are now in line with each other).
- Approximately 230 pupils across school from Years 1-6 attend after school clubs have access to a sports based after school club.
- The importance of diet and nutrition delivered to the children and they understand that exercise doesn't always mean traditional sports.
- The impact of the premium funding is sustainable due to the upskilling of our teachers in effective sports teaching, development of skills and broader experiences of sport.
- Pupil's fitness and sporting ability is sustained as each year builds on the previous and expectations of what pupils can do are increased.
- Further improved PE curriculum that provides opportunities for children to broaden their experience and challenge is available to the ablest.
- PE is a key part of life at Peel Park and children are proud to and want to represent the school in external competitions with further increased opportunity to do so (See our Sporting Superstars Display).
- As well as additional sport for gifted children, children who love sport but struggle to make these teams received additional coaching during school time deepening the love of sport at our school. This is now more widely offered along with opportunities for SEN children (We have specific training sessions for all of our teams).
- Further increased percentage of children who choose to be active
- As of the end of the 24 academic year, we now have 1 girl at Bradford City Girls Academy and 2 boys at the Bradford City Development Centre. 1 boy continues to play for Yorkshire CCC.
- Children's fitness and physical activity levels continue to increase.
- Due to our effective use of funding and our PE/PA offer, the PE Leader has delivered a school showcase and also presented to Sports England on behalf of CAS and Ju:mp

Future Plans and Proposals

- To further increase the quality and the quantity Talented provision focusing on areas of specific children's needs. (All session will now be from sport specific lists rather than general sporting talent)
- To continue to tackle the problem of obesity within our school by providing additional PE for these children (This sadly has to remain despite some progress).
- To continue to maintain the now very similar performance of our boys' and girls' sports teams
- Further increase the number of talented children who are attached to external clubs.
- Improve the accuracy of assessment in PE.
- Further develop and freshen up 'Healthy Schools Week'.
- Further increase outdoor learning opportunities (Particularly OAA).
- Increase the quality of our dance and gymnastics provision in PE lessons.
- To further improve the nutrition of our students.
- Portable swimming pool at school in an attempt to improve the poor swimming outcomes of previous years
- Continue to play and active role in the BD3 games
- Continue to review the recently updated curriculum
- Continue to build on our relationships with key partners such as Bradford City

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Our comprehensive sport and PA for all continues to deliver results More internal school competitions such as the 'Peel Park World Cup' and talent sessions have been improved (Going sport specific will further improve this) SEN children have specific sessions timetabled in to complement PE lessons and prepare for external competitions Well established links with Bradford City FITC, Ju:mp and CAS and BD3 PE leads Refreshed Long Term plan to maximize our facilities and link with what is happening and available in the local area The attainment gap continues to narrow PE teaching is 'good' with clear planning to work from Progression document and tracking system in place for PE PE, PA and school sport are all key parts of life at Peel Park The school has a sporting team ethos. 'Team Peel Park' and wearing the 'green jersey' is of high importance. Breaks and lunchtimes are active after the introduction of bikes, scooters and zoned areas. Parents have received training and support with packed lunches Children meeting professional sports players to inspire them and we've had the Premier League trophy in We have pupils who have signed for professional football and cricket clubs We continue to work closely with other schools and our offer and way of working is highly respected. We have delivered 'open classroom' events and also presented to Sports England and at CAS Conferences all of which was well received. Pupil voice continues to be responded to. Healthy Schools Week and a sports day that meets the wants and needs of all children. Children from Nursery to Y6 all receive additional PE and PA opportunities. Along with our longstanding relationship with the Bradford City Community Foundation, we now have a strong relationship with Bradford City Women and Girls and the Bradford City Football and Education.</p>	<p>Girls to continue to have similar success in external competition performance Further increase the quality and quantity of the Talent and SEN provision (Sport Specific for KS2 and continuing to be gender specific in Y5/6) Refresh and rezone our playground to further increase PA at break and lunch. Monitor the improved KSI offer OAA to be embedded and feel more authentic Provide opportunities for KSI children to compete with other schools Continue to provide opportunities for children who are not 'fit and healthy' Explore further opportunities to build links with other sporting teams and clubs Considerably improve the swimming outcomes for our school by using a portable pool on the school site Further increase the number of children with the ability to be put forward for trials More Outdoor Learning (We have another staff member specifically leading on this) Ensure new teachers are clear on our PE and PA expectations and the 'Team Peel Park' ethos Continually review the curriculum which was again updated in the previous academic year Can we increase general participation in grass root sport away from school Our Sport coach has changed so we must ensure delivery remains comparable to the incredibly high standard of the previous coach Refresh HSW to provide a wider range of experiences</p>
