INSET Day Changes

Dear Parent(s) and Carer(s),

I am writing to you regarding our INSET days for this academic year. Each year, we have 5 INSET days which we allocate based on the need for staff training in school. Originally, we only had 2 INSET days scheduled at the start of this academic year, however, due to the ongoing pandemic and the need for changes to ensure our school was safe for the children to return in September, we added an additional 2 INSET days to the start of this academic year.

Unfortunately, this has meant that we only have one INSET day left to take for this year as we have a legal requirement to teach the children for 190 days per year. With this in mind, we have had to make some changes to the rest of this academic year.

The final INSET day has been allocated to Thursday 13th May, as we believe the majority of our families will be celebrating Eid on this day. We have made this decision now to give our families who are not celebrating enough time to arrange childcare.

This does mean that school will now close a day later, on Thursday 22nd July for the summer.

I take this opportunity to wish all our families Eid Mubarak for the forthcoming celebration and thank you for your support in this matter. On a lighter note, it would be amazing to see your Eid celebrations with your families, so please email any photographs to office@peelpark.bradford.sch.uk.

Yours sincerely,

H Hutchinson
