

# Reception Summer 1

## English

This half term we will be focusing on the text 'The Very Hungry Caterpillar'. We will be using this text to learn all about the life cycle of a butterfly and how we can care for caterpillars to ensure they transform into butterflies.

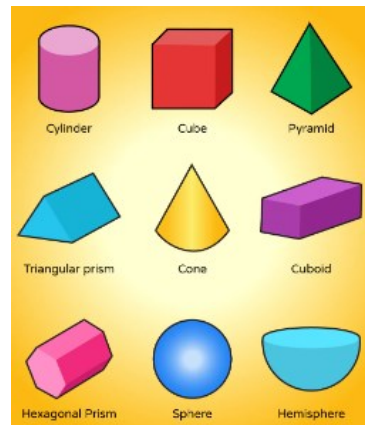

Children are required to bring their book bags every day and read their home reader every

day. Please ensure you are signing their reading record so your child receives the do-jo points.

Library books will continue to be changed on a Friday.

## Maths

This half term we will be continuing working on numbers to 10, how they are made, doubles to 10. We will be looking at 3D shapes as well during this half term to be able identify these in the environment and the properties of them.

## Stay and Play sessions

The stay and play sessions for this half term will be Tuesday 21st May and Wednesday 22nd May. You will receive an invite from your child with the date which you will be invited for as we are unable to accommodate all the parents on the same day. This will be followed by a meeting with Mrs Hendry to discuss different things which have been shared with us over the half term.

## The World

This half term we are looking at Castles and Kings and Queens. We will be starting this topic after our visit to Skipton Castle on 16th April.
