

Nursery Spring 1 'People Who Help Us'

This half term we will be looking at a number of different stories. Our focus story is 'Dear Zoo'. Children will learn to retell the story with actions and follow a story map. They will be given lots of opportunities to speak about and discuss the story and will enjoy performing it to their friends. We will also spend time looking at the animals from the story in more detail and learn lots of interesting facts about them.

In maths, we will be focusing on numbers to 3 and children will continue looking at the 'Number blocks'. Children will be counting lots of different objects and will be learning a number of counting songs and rhymes. We will also introduce children to the concept of subitising.

We will be going to the Forest School every Tuesday. Please send your child to Nursery in warm clothes and with a pair of wellies.
