

## Reception 'Spring 1

### English

This half term we will be learning the story, 'The Gingerbread Man'. We will be enjoying decorating some gingerbread men and describing what they taste like before learning the story with actions. Please ask your child to retell the story and post videos on Tapestry to share with the class.

### Maths

In Maths we are continuing our work on numbers 0-8 and really deepening our understanding of the way the numbers can be made. We

**ODD** are looking at odd

and even and understanding the concept.

**EVEN** We will be looking at

height and length to-

wards the end of the half term as well.

### The World

This half term we will be learning about space, starting with our visit from the Wonderdome on 4th March.

Children take home two new reading books each week ; a book that they can read on their own and

a library book. Please take the time to read with your child everyday at home. Please also make sure that your child brings their book bag and book everyday.

### Stay and Play sessions

The stay and play sessions for this half term will be Wednesday 20th March and Thursday 21st March. You will receive an invite from your child with the date which you will be invited for as we are unable to accommodate all the parents on the same day.

This will be followed by a meeting with Mrs Hendry to discuss different things which have been shared with us over the half term.
